### Editorial Review

#### From Publishers Weekly

This satisfying series kickoff finds Ann Smith, an inexperienced, plain-Jane office assistant, dropping off some paperwork at the home of her handsome, successful boss, Jasha Wilder—and hoping to use the opportunity to confess her mad crush on him—when she catches him transforming from wolf to man. It's just the beginning for the dumbstruck secretary, whose discovery draws her into Jasha's cursed world—his family's ancient pact with the devil, the search for their clan relics, a gang of boisterous, unpredictable relatives who share his shape-shifting ability—and onward to her extraordinary destiny. Dodd's latest is a fast-paced, well-written paranormal, with a full, engaging mythology and a handful of memorable characters. In Ann, she creates the quintessential all-American girl, counterpointing nicely the rich tapestry of Jasha's family history; the mix shows great promise for future volumes. (*July*)

#### From Booklist

Good Ann. Dependable Ann. Invisible Ann. No more. It is no longer enough to be Jasha Wilder's top-notch assistant. She has been in love with her boss for years, and the urgent fax from the Ukraine is just the excuse she needs to drive to his home for a private weekend. The wine, the clothes—she has it all planned. But finding out that Jasha isn't only all man but also all wolf puts a major damper on her perfect date. Even worse, the fax is a cover. His family from the Old Country has found him and is looking to bring the rogue back into the fold to strengthen their deal with the devil. If the Wilders won't yield, they will die. Dodd kicks off her new *Darkness Chosen* series with a bang. A multilayered heroine and a sizzling-hot hero give readers plenty of emotional—and physical—action, and the relentless game of hunter and prey adds an adrenaline ride for good measure. Davis, Nina C.
