**Competing Through Supply Chain Management: Creating Market-Winning Strategies Through Supply Chain Partnerships (Chapman & Hall Materials Management/Logistics Series)** By David F. Ross

SCM is one of the hottest topics in manufacturing and distribution, and like JIT and TQC it requires a corporate commitment. This book provides both fundamental principles of SCM as well as a set of guidelines to assist in practical application of SCM. It will be one of the first books on the market that deals exclusively with SCM and its application. Readers in the academic, management sciences, sales, marketing and government environments will find this book of particular interest.
