Fin-De-Siecle Vienna: Politics and Culture By Carl E. Schorske

A Pulitzer Prize Winner and landmark book from one of the truly original scholars of our time: a magnificent revelation of turn-of-the-century Vienna where out of a crisis of political and social disintegration so much of modern art and thought was born.

"Not only is it a splendid exploration of several aspects of early modernism in their political context; it is an indicator of how the discipline of intellectual history is currently practiced by its most able and ambitious craftsmen. It is also a moving vindication of historical study itself, in the face of modernism's defiant suggestion that history is obsolete."

-- David A. Hollinger, *History Book Club Review*

"Each of [the seven separate studies] can be read separately....Yet they are so artfully designed and integrated that one who reads them in order is impressed by the book's wholeness and the momentum of its argument."

-- Gordon A. Craig, *The New Republic*

"A profound work...on one of the most important chapters of modern intellectual history" -- H.R. Trevor-Roper, front page, *The New York Times Book Review*

"Invaluable to the social and political historian...as well as to those more concerned with the arts" -- John Willett, *The New York Review of Books*

"A work of original synthesis and scholarship. Engrossing."

-- *Newsweek*
