### Guilty as Sin: A Novel (Deer Lake) By Tami Hoag

A cold-blooded kidnapper has been playing a twisted game with a terrified Minnesota town. Now a respected member of the community stands accused of a horrific act of evil. But when a second boy disappears, a frightened public demands to know: Have the police caught the wrong man? Is the nightmare continuing—or just beginning?

Prosecutor Ellen North believes she's building a case against a guilty man—and that he has an accomplice in the shadows. As she prepares for the trial of her career, Ellen suddenly finds herself swept into a cruel contest of twisted wits, a dark dance of life and death . . . with an evil mind as guilty as sin.

#### Praise for Tami Hoag and *Guilty as Sin*

“Without a doubt . . . one of the most intense suspense writers around.”—***Chicago Tribune***

“A chilling study of evil that holds the reader until the shocking surprise ending.”—***New York Times* bestselling author Phillip Margolin**

“The tangled relationships that lie just beneath the surface of Deer Lake are tantalizingly revealed.”—***The New York Times Book Review***

“Accomplished and scary.”—***Cosmopolitan***

### Editorial Review

#### Amazon.com Review

If her knuckle-whitening thriller *Night Sins* made you lock your doors, bolt your windows and turn on all the lights - keep them that way. Tami Hoag's latest bestseller will make you glad you did.

#### From Publishers Weekly

In this follow-up to the *Night Sins*, a prosecutor tries to convict a respected college professor of kidnapping.  
Copyright 1996 Reed Business Information, Inc.

#### From Library Journal

This suspenseful novel, though it stands alone well, is the sequel to *Night Sins* (LJ 1/1/95), in which a child is abducted for sport by kidnappers who taunt the police, priding themselves on their superior minds. As this novel begins, the child has been returned, terrorized into silence, and one of the kidnappers, a popular college professor, has been caught in the act of trying to kill a police officer. Ellen North is prosecuting a strong case against the professor, but an unethical celebrity lawyer represents him before a star-struck judge. Meanwhile, the unknown conspirators kidnap and kill another child and then stage a series of new events that make it seem likely that the cops got the wrong man. The judge dismisses the case. Fortunately, a true-crime writer has come to follow this case, and his research leads to the discovery of the other conspirators, though not before they have done a lot more damage. The aura of evil is powerful in this book. Characters and relationships are well drawn and convincing. Public libraries will definitely want this.
