About the Author

Over the past 25 years Robin has written 82 books with almost 4.5 million copies sold worldwide. To her great delight, Robin's books are doing exactly what she always hoped to do -- they are traveling around the world and telling people about God's love. She is doing the same. Over the past ten years Robin has been invited to speak at events around the US and Canada as well as in South America, Africa, Europe and Australia. Robin and her husband have two grown children and have been married for 35 years. They live in Hawaii where she continues to write and speak.

Christina Schofield thought it would be fun to earn a living at what used to land her in detention - doodling. Christina has been illustrating for Christian publishing companies the past ten years and loves working from home while watching Clifford with her little girl.
