**New City Spaces** By Jan Gehl, Lars Gemzøe

The upsurge in interest in public spaces and public life over the past twenty five years has generated an impressive array of city plans, public space strategies, and designs. This book presents an overview of this development and provides a detailed description of architecturally interesting and inspiring public space strategies and projects from all over the world. Nine cities with notable public space strategies were selected for special review: Barcelona, Lyon, Strasbourg, Freiburg, and Copenhagen in Europe, Portland in North America, Curitiba and Cordoba in South America, and Melbourne in Australia. In addition, thirty nine international public space projects are presented and discussed. Drawings, plans and photographs illustrate city strategies and public space projects in detail.

### Editorial Review

#### Review

"...it is a beautiful book, and also such a thoughtful and informative book that I'll refer to it often. I am much heartened by the examples of the splendid things it's practical and possible to do to improve the public life of cities."

(Jane Jacobs)
