**See who gets what, when, and how in American politics**

*Politics in America* introduces students to the political struggles that drive democracy, examining the participants, the stakes, the processes, and the institutional arenas that comprise the power game of American politics. Using Harold Lasswell's classic definition of politics – "who gets what, when, and how" – as their unifying framework, authors Thomas Dye and Ronald Keith Gaddie present balanced arguments on highly sensitive issues including abortion, gun control, same-sex marriage, marijuana decriminalization, and immigration reform. In order to boost student engagement, the 2014 Elections and Updates Edition incorporates coverage of contemporary issues that dominate today's headlines, as well as the most up-to-date data.

**Also available with MyPoliSciLab®**

MyPoliSciLab for the American Government course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess

concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyPoliSciLab does not include an eText.

*Politics in America, 2014 Elections and Updates Edition* is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.
