Romancing the Throne By Nadine Jolie Courtney

"Fun, easy...a sweet romance with nuanced sister relationships." - SLJ

"A frothy, modern fairy tale." - Kirkus

"Fun, dazzling." - Alyson Noël, #1 NYT bestselling author

"Captivating." - What Would Kate Do?

"Guilty pleasure." - Town & Country

"Divine romantic comedy." - Brightly

Scandal, secrets, and heartbreak abound in this juicy, modern girl-meets-prince story--perfect for fans of Stephanie Perkins and Jennifer E. Smith.

For the first time ever, the Weston sisters are at the same boarding school. After an administration scandal at Libby's all-girls school threatens her chances at a top university, she decides to join Charlotte at posh and picturesque Sussex Park.

Social-climbing Charlotte considers it her sisterly duty to bring Libby into her circle: Britain's young elites, glamorous teens who vacation in Hong Kong and the South of France and are just as comfortable at a polo match as they are at a party.

It's a social circle that just so happens to include handsome seventeen-year-old Prince Edward, heir to Britain's throne.

If there are any rules of sisterhood, "Don't fall for the same guy" should be one of them. But sometimes chemistry--even love--grows where you least expect it. In the end, there may be a price to pay for romancing the throne...and more than one path to happily ever after.

From the Back Cover

For the first time ever, the Weston sisters are at the same boarding school. After an administration scandal at Libby's all-girls school threatens her chances at a top university, she decides to join Charlotte at posh and picturesque Sussex Park. Social-climbing Charlotte considers it her sisterly duty to bring Libby into her circle: Britain's young elites, glamorous teens who vacation in Hong Kong and the South of France and are just as comfortable at a polo match as they are at a party.

It's a social circle that just so happens to include handsome 17-year-old Prince Edward, heir to Britain's throne.

Charlotte's had her eye on Edward, and soon they're snogging all over the campus lawn and common rooms--while Libby busies herself with settling into her studies and navigating the complicated social code of Sussex Park. Eager to put her sister at ease, Charlotte encourages Libby to hang out with her new boyfriend. And much to everyone's surprise, Libby and Edward hit it off.

Actually, they really hit it off.

In this juicy, contemporary girl-meets-prince story, two sisters find themselves at odds over the same boy amid high-society expectations and paparazzi scandals. In the end, there may be a price to pay for romancing

the throne . . . and more than one path to happily ever after.
