All children need guidance, yet some are definitely more resistant to parental direction and advice than others. Parenting a child whose personality may be described as "difficult" or "controlling" can leave you conflicted and frustrated. How do you nurture your child, get him to listen, and know who's in charge? It can be done. *The Everything Parent's Guide to the Strong-Willed Child* helps you work around stubborn and argumentative behavior. You'll learn how to encourage your child to compromise and communicate with you, rather than make unreasonable demands and/or shut down altogether.
